A message from the Grand Knight

As this past month marked the one year anniversary of the vicious and unprovoked attack on America (and my native New York "homeland"), I'm reminded of how fortunate we all are to live in such a great country. The United States is a place where we have more opportunity and freedom than any other country in the world. The 9/11 Memorial Ceremony at Westlake Center two weeks ago really drove this point home to me.

These days I feel extremely grateful for some of the fundamental aspects of life we enjoy here, but tend to take for granted until a crisis rocks our psyche. Some of these things are due process of the law, the freedoms of speech and religion, capitalism, a stable government, a strong military subordinate to the citizenry, social programs, and a diverse populous. I'm also grateful for some more trivial things, such as the averting of a baseball strike so our national pastime could continue, cellular phone technology, Lands' End, the ability to buy pizza everywhere, and the fact that the road construction on I5 is nearly complete. I will probably be "thankful" for all these same things come the end of November as well.

I'm also extremely proud to be a member of the Knights of Columbus. Viewing the Heroes Fund video narrated by our Supreme Knight literally brought tears to my eyes both times I saw it. Being part of an organization that did so much for people during a time of national emergency, as well as does so much for people on daily basis, as the Master Card commercial states "is priceless".

I wish Americans could feel the same sense of patriotism, pride and goodwill toward each other everyday of every year; not just during tenuous times or the Christmas season. Even if this sentiment doesn't come to pass, it will always be a blessing to live in our one nation "under God"!

Recruiting

By Dave Caton

Fellow Knights! We've already met half our membership quota thanks to all of our collective efforts! Last Wednesday, Sept. 18th, we brought in 5 new members (our quota is 9 membership and 5 insurance members). Please welcome the following new Knights at our October meeting: John Agostino, Greg Bouknight, Chris Miles, Tim Pinney and Mel Longley. We also have two new transfers: Edward Cooper, from New Orleans (St. Joan of Arc, LaPlace, LA) and Mark Busch from St. Theresa, Federal Way. Also, I'm proud to announce the re-instatement of a Knight-Gerald DeLaFontaine- Jerry is Denise DeLaFontaine's Dad (Ted Gimlin's and Matt Siverly's father-in-law). My personal welcome to all of these fine additions to our council.

The next big event of the year for our new Knights is the 2nd and 3rd Degree in Auburn at Holy Family Parish on Saturday at noon, October 26th. Sponsors, please put this date on your calendars, contact your candidates and plan on driving them to this exemplification.

Also please note there are two Fourth Degree Exemplifications in October: on Saturday October 19th in Clarkston, WA (near Lewiston, Idaho) as well as on Saturday, October 26th in Port Orchard. Any Knights desiring to go to these events please contact your sponsors, or me, as soon as possible. Remember that it is now possible to become a Fourth Degree Knight only 6 months from the day that one becomes a Third Degree Knight. Keep up the fantastic recruitment efforts! Let's continue to make this the best council in Washington State!

Public Relations

by Jim Bianchi

Fellow Knights! I have some good news to report. Please be sure to log on to the Columbia magazine online @ <http://www.kofc.org>. A story and photo about Anthony Lezcano and his affiliation with St. Joseph Council #7528 is to be published in the October Online edition! Supreme has also informed me that a similar story will be run in a future issue of the Columbia magazine! As I am sure you will all agree, when a young man begins studies for the Priesthood and he has ties to the K of C, it is a blessing for all Knights and especially our Council!

The Lecturer's Corner

By Joe Clemens, Lecturer

One of the things I want to focus on this year is the history of our council. I cam across this a few days ago and thought you would enjoy it. It is a piece of our council history.

The First "Cross and Compass" by Bill Herbert

I met PGK Joe Clemens in 1980 when he and several others were out beating the bushes in Federal Way to find potential K of C

members for the new Council that would become #7528. He had obtained a list of local Knights who were members of out-of-the-area Councils. At that time I belonged to the 2,000-member #3660 in Indianapolis, having been a recent transplant to the Pacific Northwest. Joe, who lived nearby, knocked on my door, and before long I was signing up to transfer to the St. Vincent group. While I had been very active with the K of C in Indy, I had other irons in the fire out here and had no intentions of doing much more than paying dues. Joe, however, had other ideas. He knew that I was already editing newsletters for two other organizations, but we both also knew that a new group such as this could sink or float based on the quality and quantity of communications. He conned me into getting a newsletter started for the new Council, but I only committed for one year. Joe can be very persuasive! Now that we had a "drafted" Editor, we needed a name for the rag. That was easy ... we merely stole "The Cross and Compass" from the Indy newsletter! Actually, we requested and received permission to use the name and associated logo/artwork. The Supreme Council provided some "clip art" for paste-ups (this is prior to desktop publishing), and we were off and running. I was Editor for about a year, and then turned it over to a successor who improved on the original product. Now that I'm recently retired, and after 40+ years in the Knights, I'm planning to become more active again, but NOT as a newsletter Editor!""

Did you know?

The "Did you know?" column will be a regular feature to help bring you information that you may not have heard about before or to answer questions submitted by our members. It can be anything from "where did the 4th degree regalia come from?" to "why do we do degree ceremonials?".

Please submit your questions to tphilomeno@sparling.com. I will endeavor to get the questions answered and publish them each month.

Service Hours

By Al Larpenteur

Do you serve in various capacities in our community? If so, please jot down the number of hours you spend each month in these service areas. For example, the hours you contribute by serving on local, district or state commissions, committees, and/or boards help our community, and they reflect the commitment we Knights make to improving where we live. Do you help the homeless by serving meals at community suppers, Nativity House, or at other activities? Do you help to collect funds or prepare food baskets at our St. Vincent de Paul Society, or another outlet? Did you spend an hour donating blood at our September blood drive? We Knights are generous with our time, talents, and treasures. Please let me know about the hours you spend in community activities and other efforts.

Blood Drive

By Dave Caton

I would like to thank the overwhelming response of 68 wonderful registered donors who each gave a pint of blood last Thursday, September 12th. My thanks to all the Knights who helped out at our Life Teen Mass and to all of those Knights who donated blood. We appreciate your patience with the occasional long waits! Each blood donation will help up to three patients! Did you know that each DAY of the year our state has to register over 900 donors in order to support the 70 hospitals within a 14 county region in Washington State? Another interesting statistic is that only 5% of the national population donates blood and that over 70% of us will need a blood transfusion at some point in our lives. You can see how one blood drive, no matter how small, has a tremendous impact on others! Let's all work hard to encourage new donors to give this essential gift of life to others. Our next drive is scheduled for Thursday, December 12th, again at St. Vincent's. Special thanks go to Joe Penwell who is always there to help with sign-ups and checking our donors in and to Bill Martin who hosted the canteen and to my dear wife who assisted with check-ins.

From the Deputy Grand Knight

Dave Myers

My fellow brother Knights...I'll be using this column to pass along thoughts, ideas, emails and other assorted articles I've collected. Hopefully they will make an impact as well as have meaning for you and your family. My prayer to you.

Subject: THE CARPENTER . . .

Once upon a time two brothers who lived on adjoining farms fell into conflict. It was the first serious rift in 40 years of farming side by side, sharing machinery, and trading labor and goods as needed without a hitch. Then the long collaboration fell apart. It began with a small misunderstanding and it grew into a major difference, and finally it exploded into an exchange of bitter words followed by weeks of silence.

One morning there was a knock on John's door. He opened it to find a man with a carpenter's toolbox. "I'm looking for a few days work" he said. "Perhaps you would have a few small jobs here and there. Could I help you?" "Yes," said the older brother. "I do have a job for you. Look across the creek at that farm. That's my neighbor, in fact, it's my younger brother. Last week there was a meadow between us and he took his bulldozer to the river levee and now there is a creek between us. Well, he may have done this to spite me, but I'll go him one better. See that pile of lumber curing by the barn? I want you to build me a fence - - an 8-foot fence-- so I won't need to see his place anymore. Cool him down, anyhow." The carpenter said, "I think I understand the situation. Show me the nails and the post-hole digger and I'll be able to do a job that pleases you."

The older brother had to go to town for supplies, so he helped the carpenter get the materials ready and then he was off for the day. The carpenter worked hard all that day measuring, sawing, nailing.

About sunset when the farmer returned, the carpenter had just finished his job. The farmer's eyes opened wide, his jaw dropped. There was no fence there at all. It was a bridge-- a bridge stretching from one side of the creek to the other! A fine piece of work handrails and all; and the neighbor, his younger brother, was coming across, his hand outstretched. "You are quite a fellow to build this bridge after all I've said and done."

The two brothers stood at each end of the bridge, and then they met in the middle, taking each other's hand. They turned to see the carpenter hoist his toolbox on his shoulder. "No, wait! Stay a few days. I've a lot of other projects for you," said the older brother. "I'd love to stay on," the carpenter said, "but, I have many more bridges to build."

~~~~~  
God won't ask what kind of car you drove, but He'll ask how many people you drove who didn't have transportation. God won't ask the square footage of your house, but He'll ask how many people you welcomed into your home. God won't ask about the clothes you had in your closet, but He'll ask how many you helped to clothe. God won't ask about your social status; He will ask what kind of class you displayed. God won't ask how many material possessions you had, but He'll ask if they dictated your life. God won't ask what your highest salary was, but He'll ask if you compromised your character to obtain it. God won't ask how much overtime you worked, but he'll ask if your overtime work was for yourself

or for your family. God won't ask how many promotions you received, but He'll ask how you promoted others. God won't ask what your job title was, but He'll ask if you performed your job to the best of your ability. God won't ask what you did to help yourself, but He'll ask what you did to help others. God won't ask how many friends you had, but He'll ask how many people to whom you were a friend. God won't ask what you did to protect your rights, but He'll ask what you did to protect the rights of others. God won't ask in what neighborhood you lived, but He'll ask how you treated our neighbors. God won't ask about the color of your skin, but He'll ask about the content of your character. God won't ask how many times your deeds matched your words, but He'll ask how many times they didn't. God won't ask why it took you so long to seek Salvation, but He'll lovingly take you to Heaven, and not to the gates of Hell.

## Just for Fun

Submitted by Joe Clemens

Last Words

A couple of you should take note of this.

Hmmmmmmmm...what an interesting epitaph!!!

A woman goes into the local newspaper office to see that the obituary for her recently deceased husband is published. The obit editor informs her that there is a charge of .50 cents per word. She pauses, reflects, and then says well, then, let it read "Bob Smith died." Amused at the woman's thrift, the editor tells her that there is a seven word minimum for all obituaries. She thinks it over and in a few seconds says, in that case, let it read: "Bob Smith died. Golf clubs for sale."

## One Nation, Under God

Do you know that at military funerals, the 21 gun salute stands for the sum of the numbers in the year 1776?

Have you ever noticed the honor guard pays meticulous attention to correctly folding the American flag 13 times? You probably thought it was to symbolize the original 13 colonies, but we learn something new every day!

- The 1st fold of our flag is a symbol of life.
- The 2nd fold is a symbol of our belief in eternal life.
- The 3rd fold is made in honor and remembrance of the veterans departing our ranks who gave a portion of their lives for the defense of our country to attain peace throughout the world.
- The 4th fold represents our weaker nature, for as American citizens trusting in God, it is to Him we turn in times of peace as well as in time of war for His divine guidance.
- The 5th fold is a tribute to our country, for in the words of Stephen Decatur, "Our Country, in dealing with other countries, may she always be right; but it is still our country, right or wrong.
- The 6th fold is for where our hearts lie. It is with our heart that We pledge allegiance to the flag of the United States Of America, and the Republic for which it stands,

one Nation under God, indivisible, with Liberty and Justice for all.

- The 7th fold is a tribute to our Armed Forces, for it is through the Armed Forces that we protect our country and our flag against all her enemies, whether they be found within or without the boundaries of our republic.
- The 8th fold is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day.
- The 9th fold is a tribute to womanhood, and Mothers. For it has been through their faith, their love, loyalty and devotion that the character of the men and women who have made this country great has been molded.
- The 10th fold is a tribute to the father, for he, too, has given his sons and daughters for the defense of our country since they were first born.
- The 11th fold represents the lower portion of the seal of King David and King Solomon and glorifies in the Hebrews' eyes, the God of Abraham, Isaac and Jacob.
- The 12th fold represents an emblem of eternity and glorifies, in the Christians' eyes, God the Father, the Son and Holy Spirit.
- The 13th fold, or when the flag is completely folded, the stars are uppermost reminding us of our nation's motto, "In God We Trust."

After the flag is completely folded and tucked in, it takes on the appearance of a cocked hat, ever reminding us of the soldiers who served under General George Washington, and the Sailors and Marines who served under Captain John Paul Jones, who were followed by their comrades and shipmates in the Armed Forces of the United States, preserving for us the rights, privileges and freedoms we enjoy today. There are some traditions and ways of doing things that have deep meaning. In the future, you'll see flags folded and now you will know why."

### Spaghetti Dinner

We will be having a spaghetti dinner after the 5:00 mass on Saturday, October 12<sup>th</sup>. Plan to help or attend and enjoy a great dinner by Poppa Pirolo and company. This is possibly the best spaghetti dinner you will find anywhere. We will need people to set up at 4:00 and then after the dinner for cleanup duty. Attention new members; this is a great way to get your feet wet.

## Please take a few minutes and review the 2002-2003 Council budget. We will be voting on this at the October 1st meeting
